

March Kindergarten News

We are learning about....

We have started our unit on folktales.

Letters of the month:

Hh, Ll, Yy

High Frequency words:

cuando, también, vamos

Reading: The Three Little Pigs, Goldilocks and the Three Bears, Three Billy Goats Gruff

Mathematics: We are working on subtraction

We are learning that addition is like putting together and adding on, and subtraction is like separating and removing from

Classroom News

We have started our unit on traditional stories. We will be working on asking and answering questions to identify the beginning, middle and end using story elements (characters, setting and important events).

Other math skills were working on:

*counting 100

*counting by 5's, 10's and 2's

*place value: hundreds, tens, ones

*Using a ten frame and tally marks

*Being able to explain their thinking on how they know their answer, how they solve the problem and other ways to solve the problem

Carson News

Spring break will be March 26- March 30th. The students will receive a homework packet to complete during the week. Classes will resume Monday, April 2nd.

Please Keep working on attendance. One day of absence is a whole day of instruction lost! Too many absences will affect your child's grades. If your child is absent please send a note with your child.

- March 22 - Family Wellness Night at 4:30 p.m.
- March 26 - March 30 - Spring Break - No School

Ideas for how you can help your child be as successful as possible in kindergarten:

Please make sure your child is getting enough sleep each night. Coming to school well rested helps your child be alert and ready to learn in school.

Please ensure that your child is doing his/her homework each night—

establishing good homework routines early will help your child be successful throughout his/her school years.

Please read to your child EVERY night. This helps your child see what reading "looks" like. It also teaches your child to value reading and encourages them to want to learn to read themselves.
